

Conservation Pledge

I give my pledge as an American to save and faithfully to defend from waste the natural resources of my country, its air, soil and minerals, its forests, waters and wildlife

January 12, 2014

Hello everyone. First of all I would like to thank one and all for your confidence in allowing me to serve as your President for another year.

My goals for our club this year is to promote new organized gun competitions for adults as well as our youths. The Ladies are going to have a class for hand gun 101 and possibly their own group. We are really excited to be promoting the women in our club this year.

The Board members and I have been working on this year's events and as always we need your help to make them successful. If you have an event that you would like to help with or a suggestion for a new one - I am always here to try and make it happen! Any ideas can be dropped off at the club house or to any Board member or just e-mail your suggestions.

Once more, thank you for the opportunity to guide our club to another successful year.
Sincerely,

Ken Snyder, President OSC
